

# Duck Room News

9/9/16

We have had a great start to the school year! We are learning new routines and exploring our new learning environment. It may take a few weeks to adjust to new schedules and to settle in. Making sure your child gets ample rest, and healthy food to eat will be helpful! Please take time to fill out the **SEE THINK WONDER** form about your kindergartner. You can return it to school in the Friday Folder on Monday.

## REMINDERS

**LABEL** everything! Make sure names are visible on backpacks, lunch boxes, and water bottles.

Feel free to send a **water bottle** to school with your child. The line can get long at the water fountain, and children need to be hydrated to learn.

Today your child is bringing home a **Friday Folder**. Be sure to look through all the notes and work, and send the folder back to school on Monday.

**Notes** about changes in the end of the day transportation or information for me should be **pinned** to your child.

Send **lunch money** to school in an envelope labeled with your child's name.

Send **resting towels** back to school on Monday.

Send a **family picture**, if you haven't already.

I can already see a boost in the children's confidence and independence as they come into school in the morning. Children may enter the building at 8:35. We are asking that parents say goodbye to the children on the sidewalk and let them walk into the school with a teacher's help. So far, the kindergartners are doing a great job!
